Re: *In Re: Michael Reid Moi*, United States Bankruptcy Court,  
Western District Case No. 10-15781-KAO  
Our Client : Kruger, Doug  
Our File No : 08291

Dear Mr. Stern:

I am in receipt of your Complaint which you have filed directly against myself. This letter is to discharge of my obligations under the decision of *MacDonald v. Korum Ford*, 80 Wn. App. 877, 892, 912 P.2d 1052 (1996) prior to seeking CR 11 sanctions against you personally. I also wish to draw your attention to the decision of *Manteufel v. SAFECO*, 117 Wn. App. 168 (2003). You should be aware that I have no interest in the underlying litigation as between Mr. Moi and Mr. Kruger. I was retained **after** judgment was obtained against your client for the first matter. The second lawsuit involved your client's ongoing failure to meet his obligations under the note and judgment was obtained. The basis for that judgment is all on public record with the King County Superior Court. I do not have an interest in any of the litigation. I do not have an interest in any of the real property at issue in the various disputes. My only involvement in any of these matters is as counsel representing Mr. Kruger. Nothing more, nothing less.

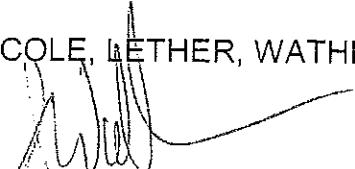

This letter is to demand that you dismiss the lawsuit naming me personally. If you do not within ten days of the date of this letter, I will proceed to file a motion seeking CR 11 sanctions against you personally.

Please call me if you should have any questions.

Very truly yours,

COLE, LETHER, WATHEN, LEID & HALL, P.C.

Rick J Wathen
